➤ HOW TO CARE FOR YOUR PRODUCT

Dust the walnut with a lint-free cloth. If polishing is required, use Renaissance Wax (if compatible with the finish applied – check with us). Avoid any acidic, silicone or harsh abrasive cleaners (e.g. Cif or Mr. Sheen). Apply sparingly with a soft, lint-free cloth. Remove excess with a second clean cloth.

Vellum should be cleaned with a dry soft cloth only. Periodically this finish may need a Clear Bison Wax applied for added protection but seek advice from us prior to this application.

If a spill occurs, immediately blot it gently without rubbing the surface.
