The Collection
2024

Rupert Bevan is a furniture designer and maker with a history in craftsmanship spanning more than 30 years. We work with top interior designers, architects and clients in private homes, hotels and restaurants to produce bespoke interiors rich in diverse styles, materials and finishes.

We specialise in metal, wood and glass work – all hand crafted using traditional methods in our workshops in Shropshire in the English countryside.

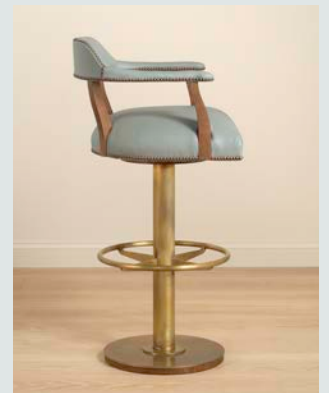

The RB Collection is a series of carefully handcrafted, refined pieces that capture the essence of Rupert Bevan.
