

Workshop Technician/Specialist Finisher, Ludlow, Shropshire

Rupert Bevan are makers of bespoke furniture, finishes and contract fittings including mirrors. Our ever-expanding workshop facilities in Ludlow include a finishing and assembly workshop.

We are now looking for a skilled, hardworking and committed **Workshop Technician/Finisher** who has practical knowledge and experience of both workshop joinery and various finishing techniques. **Finishes are mostly hand produced and experience should include staining and polishing, waxing and oiling.**

You will be part of a dynamic team with prospects for personal development and advancement. This is an opportunity to join a thriving and growing business working at the top end of the bespoke furniture industry.

Key responsibilities

- Working with a variety of materials, principally wood, brass, steel and mirror glass
- Applying finishes to wood and metal – e.g., staining, oiling, polishing and waxing, as well as patinating and painting
- Furniture assembly, frame making for mirrors, and sample production

Skills requirement

- Ideally, good all-round practical skills
- Joinery and shop-fitting skills
- Furniture assembly
- Furniture and metal finishing
- Workshop organisation
- Site fitting as required
- Computer literacy would be beneficial
- Understanding and reading of working drawings
- Full clean driving licence
- Ability to work under own initiative with a positive can-do attitude

In return we offer pay commensurate with experience, 20 days holiday, and a very friendly and creative environment in a peaceful countryside location – own transport essential!

This is a full time (40 hours per week) permanent position for immediate start.
