➤ HOW TO CARE FOR YOUR PRODUCT

If unlacquered, brass is an organic material and will react to its environment. Spots will form, but over time they will fade and self-correct. With use, the characteristic of brass will develop and it may take up to a year to acquire a full patina. To maintain the appearance of the bright brass use Brasso Metal Polish. Apply with a soft cloth and polish with a dry soft cloth before the polish has completely dried. Repeat if necessary.
