

R·B

ATOMIC DESK

➤ DIMENSIONS

L: 140cm

W: 70cm

H: 75cm

➤ MATERIALS

Steel and walnut. Requirement: 15 sq/ft of leather or 156.4cm x 86.4cm of leather.

➤ HAND FINISHES & PATINATION

Powder coated steel frame and a lacquered walnut finish drawer interior.

➤ HOW TO CARE FOR YOUR PRODUCT

Any marks on the steel are to be removed with a dry cloth and any spillages are to be dried immediately as moisture can cause rust. To maintain the appearance of the steel use Carnauba Wax. Rub in sparingly with a soft, lint-free cloth. Wipe off excess with a second cloth.

To care for the leather, ensure that you do not leave the item of furniture in direct sunlight for prolonged periods. Avoid direct heat from fires and radiators which can dry out and distort the leather. Do not use saddle soap, wax polishes or general household cleaning products. Chemicals are not recommended as they break down the protective surface.

Dust the walnut with a lint-free cloth. If polishing is required, use Renaissance Wax (if compatible with the finish applied – check with us). Avoid any acidic, silicone or harsh abrasive cleaners (e.g. Cif or Mr. Sheen). Apply sparingly with a soft, lint-free cloth. Remove excess with a second clean cloth.
